16式機動戦闘車完成！

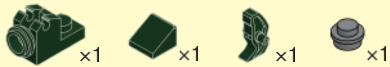

砲塔が360度
回転!

The image shows two views of a green and tan LEGO tank model. The top view shows the tank from a three-quarter perspective, with a large curved arrow indicating the turret's 360-degree rotation. The bottom view shows the tank from a rear-quarter perspective, with a curved arrow indicating the vertical movement of the main gun barrel.

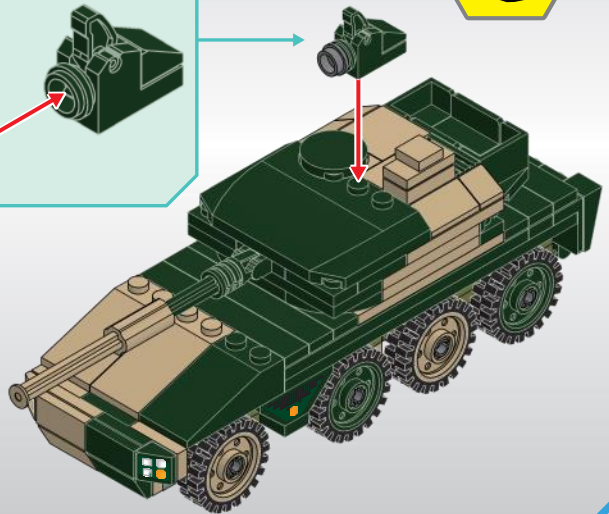

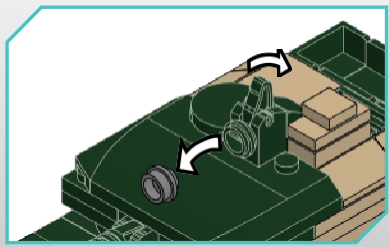

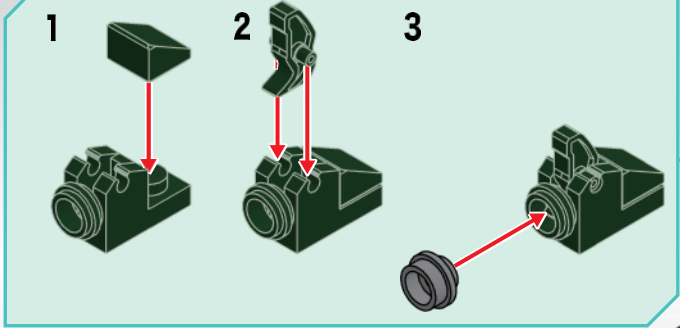

砲身が上下に
可動!

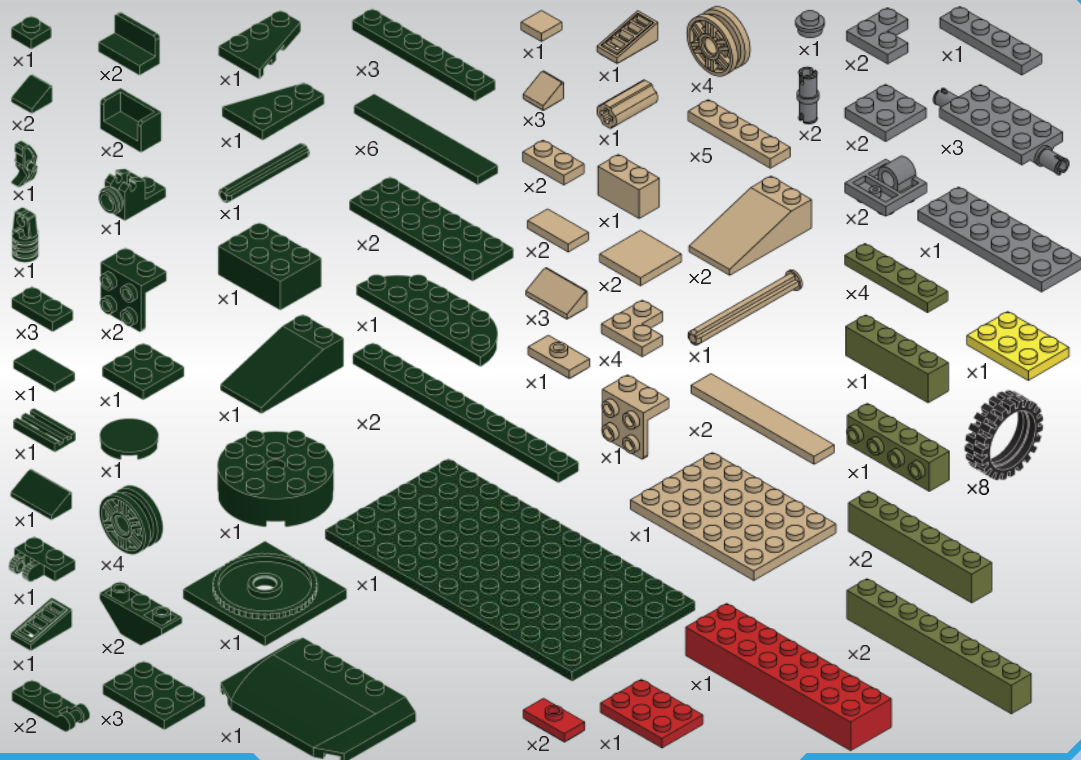

注意

- 発射する部品は目や顔に向けてはいけません。
- 発射パーツは人や動物に向けて絶対に飛ばさないでください。
